HOSPITAL ADDITION TO BE OPENED

POLICE REPORT
continued from prev. col.

On Saturday, January 21 st, the new fifteen bed addition to Drayton Valley Municipal Hospital will be opened officially by members of the Department of Public Health. The opening ceremonies will start at 2:30 in the afternoon. Members of the Ladies Hospital Auxiliary will serve a silver collection tea, proceeds of which go towards the purchase of a T.V. for the children ward, a project that is being undertaken in cooperation with the W.L.

The new addition to the hospital brings the capacity of the hospital to thirty-five beds. It was built by New West Construction at an approximate cost of \$70,000, with an additional cost of about \$10,000 for furnishings. The public is cordially invited to come out to the Open House on

January 21 st and look over the hospital.

Total admissions to the hospital last year, for one day or longer, were 2,325, and 341 babies were born there during the year. During 1960, 979 outpatients were treated and released without spending a night in the hospital.

While the needs of this growing community will probably tax the new facilities as well as the previous ones to the limit, yet the new addition does help the current situation for the need of hospital beds greatly and should be quite adequate for the needs of the community for the present time, at least. Perhaps further additions or new buildings will be necessary in the near future; but the new enlarged facilities will certainly be a great boon to all concerned.

Mr. Lester Campbell Miller

Lester Campbell Miller was born in Marshall County, Kansas, where his father was farming at the time young Lester was born. In 1902 the Miller family moved north to Alberta. In the family at the time beside Mr. and Mrs. Miller and Lester, was Chester, a couple of years older than Lester, and two sisters, who are now Mrs. Peck and Mrs. Young. The family moved to the Riverview on the Barre district northwest of Edmonton, and in 1907 moved to Stony Plain district, and the following year to the Carvel district, where the senior Mr. Miller took up a homestead. Mrs. Miller and Lester and his brother Chester lived on that homestead until 1920. Lester's life has been closely associated with that of his brother Chester, who was crippled by infantile paralysis in 1910 at the age of 17.

Lester signed up for army service in early 1918 and went overseas to Europe with the Infantry 8th Bn. Reserve. He was discharged in July, 1919, and returned to Carvel, where he remained with his mother and brother Chester until the spring of 1920 when they moved to

Ponoka and Lester farmed there for seven years, until forced to quit by a complete crop failure that year. He worked out for about three years, until he came with his mother, and Chester, to this district. They made the trip from Ponoka to Edmonton, and then to Drayton Valley with a lone horse team hitched to a steel-wheel wagon. In the spring of 1940 Mrs. Miller Sr. passed away and is buried in the Drayton Valley cemetery. Lester homesteaded the river flat quarter, where the bridge is now located.

Physical illness caused him to give up that farm and in 1939 he, with his brother Chester, went into the store, which at the beginning of the oil boom in early 1934 was known as the "Miller Store" and which was torn down about a year ago. They had the telephone office and the post-office for several years. In early 1955 the post-office was moved to its present location and in the fall of 1955 Lester gave up the store. POLICE REPORTS, continued.

Juvenile Court cases during the year amounted to 10 cases heard of these. 1 was sent to Bowden Institution for an indefinite period, 8 received suspended sentences of one year, 1 received a suspended sentence of 6 months and 2 appeared for informal hearings.

Miscellaneous Cases during the year were as follows:
Pool Room and Billiards Act, 1 case. Indian Act, 6 cases. The Indian Act drew sentences of 7 days for 2 and a sentence of 15 days for one. Fines totaling \$165.00. Traffic tickets issued amounted to approximately \$200, with fines for a total of \$360.00. Reports of accidents given in to the police were 33, with damages to 127 vehicles involved ranging from \$35.00 to \$600.00. cont. page 11 col. 1.

At the boxing card staged in Bick's Community Hall last Friday night fans were given a good show for their money with boys from an Edmonton club, the Jasper Place club and the local club all giving a first class accounting for themselves. In the picture taken after the fight are boys from Federation Club, Jasper Place Club and Drayton Valley Club. In the first row is Jerry Ramsey, Jasper Place Coach, Gordon Cross, Drayton Valley Coach and the two main event boxers, Bill Tritty of Jasper Place and Rufus Conkle of the local club. The boxing events were sponsored by Drayton Valley Athletic Association. Another card is scheduled for next month. Drayton Valley has produced some unusually promising young fighters and their fight are always action-packed affairs, which deserve the support of the entire community.

WORLD'S FIRST FUEL DELIVERY

The first man who picked up a burning faggot and carried it into his cave was making a delivery of fuel. A bit unreliable, perhaps, but it was a step in the right direction. Man has taken many steps forward since then. One of the greatest was when he learned to use oil. Because oil products have been made available at reasonable prices everywhere in Canada, oil heats more than half our homes. And speaking of reasonable prices—over the past 10 years the price Imperial receives for home heating oil has risen far less than the cost of other things, —only one-third as much as the general cost of living.

Looking at Recreation

By Michael Connelley

A BUSY TIME - The recreation program here in Drayton Valley may be no paucor but presently it is running along the trim of a jam-packed schedule. I have heard the familiar old complaint "There is nothing to do" lately, which is a great satisfaction. Indeed if such a complaint was made in Drayton Valley today, it would be in jest only, as it is plain for all to see that there is more going on recreationally and socially in this town than the average person cares to cope with. Of all the communities in which I have been and have worked either professionally or as a volunteer best in the organization of leisure time activities, this is definitely the most highly organized town I have ever seen. Mind you I am not, for a minute trying to make anyone believe that the high level of organization which has been reached in this town's recreation program is free of all complications and is running off with velvet smoothness at all times, on the contrary, there are days when the whole issue seems to be a storm sea of confusion. There still is, however, plenty to do recreationally for one and all young and old.

Since Christmas, I find that there has been a noticeable decrease in recreational activity. Last week was tremendous and I think that I am right in saying that a record must have been set last Friday evening, January 13. That night there were over a dozen organized activities under way at one time. Hockey was played at every level from Pee Wee to Intermediate, there were two basketball games in town, a boxing program was in town, the B.P.O.E. Community Hall, the newly organized adult education program got under way at the high school, dances were held at three or four centers throughout the community, and there were at least two social parties on the evening. Confusion? Maybe, because, no one can honestly say that there is nothing to do during leisure hours in this community. I do think, however, that the local recreation program is very varied as well as crowded and that most of the people are satisfied most of the time which after all is my basic overall goal as recreation director of this town.

BOXING PROGRAM - Despite the fact that the first boxing program to be presented locally this season was almost lost in the rustling sea of activity, it still had its bright points, in fact, the only disappointing thing about the whole show was the very poor attendance.

The card presented under the auspices of the Drayton Valley Athletic Association featured at least four real outstanding bouts and those who failed to

Recreation Director

make it to the B.P.O.E. Community Hall last Friday evening missed a very fine demonstration in the art of self-defence.

Rufus Combs proved that he is one of the outstanding young fighters in Alberta today as he came through with a sensational victory over the 160-pound Champion, Bill Wiley of Jasper. The bout itself was a dilly with the stronger, harder-hitting Drayton boy facing the bout all the way and shaking his skillful opponent with a cordial body attack. The Pembina Panther never looked better, he was in superb condition, razor sharp, his timing was ideal and his punches were crisp and devastating. In a word, as fine a fighting machine as you would care to see.

In a bout at 100 lbs. another Pembina fighter, rugged little Gary MacNeil a close and hardy contestant but to elude Phil Bourgeois of Jasper. MacNeil forced the fight most of way but failed to land very many telling blows on the counter-punching P. fighter.

At 90 lbs. Barry Thompson of Drayton Valley made it three in a row over Sonny Christensen of Jasper Valley with a comparatively easy third round decision victory. Thompson, with a unique straight-up, scientific style reminiscent of the James J. Corbett school is one of the finer junioristic prospects in Alberta today.

Orvin Combs dropped a decision to Teddy Molesau of J.P. when he accidentally hit the victor a few blows. This bout was contested at 110 lbs. and was developing into a real thriller when the unfortunate incident happened.

In the other bout involving a home town brawler game, Roy MacKenzie dropped a decision to rugged, hard-hitting Norman Kennedy of Jasper Valley in a 125-pound fight at 125 pounds.

It was a fine show from beginning to end, featuring a good variety of weights and styles, the officiating on the whole was very good with Andy Andersen doing an excellent job as the third man in the ring. There will be another boxing card at the B.P.O.E. Hall some time in February, when the local fight faithful will get another chance to see our very fine youngsters in action.

On Saturday evening the Rufus Combs stepped into the ring for the second night in a row when he faced Lionel Rompach at the Recreation Club in Edmonton. The dual strain to trip the top of the claim seemed to take its toll on the local boy and he dropped a hard-fought three-round split decision to the Edmonton youngster. This questionable decision was the first defeat suffered by

Combs this year, however, our boy certainly lost no prestige in the Federation outfit and we certainly look forward to see him reverse this score before the season runs out.

HOCKEY - No one will disagree with the fact that we have had some of the finest winter weather recorded in the past month, one thing, however, it has not been too favorable for our ice-maker Les Tucker and consequently for the entire hockey program.

Due to mild weather there was no hockey action at all on Monday, Jan. 9th, and in fact it took some careful work and parting on the part of Mr. Tucker to have a surface ready for the "Midget" game on Tuesday evening between the D.V. A.A. Lions and a team from Breton.

The game itself developed into a thriller which was won by the visitors 6-5 after a little more than five minutes of sudden-death overtime play. The locals took an early go on by Neil Bell, Steve Seneca and Gerald McMorris. Then David Hoff put the locals ahead 4-2 late in the second frame. The Breton squad came back and took a 5-4 lead, however, Steve Seneca made it all even once more and then came overtime and the Breton victory. The locals are an improved crew and gave a commendable account of themselves in the Breton game. Last Sunday the Midget squad travelled to Tomahawk where they chalked up their first win of the season with a 6-1 victory over the hot club.

In Pee Wee action last week only two games were played. On January 11, the D.V. A.A. Canadians thumped the D.V. A.A. Rangers 9-0 while on Friday evening, the same Canadians squeezed out a close 4-3 victory over the D.V. Hotel Flyers.

They Ward led the Canucks scores with 3 goals and 2 assists, Kenny Larson and Stanley Luchak each got 2 and 2 Dave Kerand Elwood Johnson scored two goals each, while Terry Sharkey gathered up two assists. The Flyers scores were Dennis Rentfleisch from Ronnie Mickelow and Roy Letwinick got a pair unassisted. Due to lack of interest the Pee Wee League was reorganized and it now consists of four teams. The Stampedes were dropped from the league and the players were distributed among the four remaining teams. The league now consists of the D.V. A.A. Canadians, the D.V. A.A. Red Wings the Wilmar Foodie Rangers and the D.V. Hotel Flyers.

The Stampedes had another very good week, Nick Uchynykh of the Flyers scored two goals, the officiating on the whole was very good with Andy Andersen doing an excellent job as the third man in the ring. There will be another boxing card at the B.P.O.E. Hall some time in February, when the local fight faithful will get another chance to see our very fine youngsters in action.

On Saturday evening the Rufus Combs stepped into the ring for the second night in a row when he faced Lionel Rompach at the Recreation Club in Edmonton. The dual strain to trip the top of the claim seemed to take its toll on the local boy and he dropped a hard-fought three-round split decision to the Edmonton youngster. This questionable decision was the first defeat suffered by

Cleaner Oil Kings. Kenny Bile was the big scorer for the Sons of Hockey with 3 goals and 3 assists. Johnny Shanks got a pair of goals and helped on another while Cliff Lindquist, Carlton Marton and Lorne Husa were the other marksmen for the D.V. A.A. Today morning the D.V. A.A. Bels dropped a 5-3 decision to the Oil Kings. Gordon Brown set a record with 4 goals for the winners while Fritz de Gout got the other Oil King tally.

Else it was Allan Matson with a pair and Allan Schultz with a single. In the juvenile was "Chuck" Dion and his Pipelinet travelled to Calmar where they played a Junior team and were dropped by a 10-1 score. The locals were no match for the older, heavier, and much more experienced Calmar outfit, Gordon Tucker and Kenny McMorris teamed up for the lone D.V. tally of the night.

Another Art Exhibition: The final art exhibition of a series of those presented here this season is due to arrive in our community on January 24, 1961. The exhibition will be displayed at the Town Library on January 23 and 24th, from 2:30 (Cont. page 5 Col. 1)

YOUR FAMILIAR ENTERTAINMENT - PATER.

On Sunday, however, things were much different as the Pipelinet played the second half of a Midget-Juvenile double header in Tomahawk. Despite the fact that ice conditions were far from the best, play was surprisingly fast and the game proved to be more evenly contested than the one played here a week ago. The final score showed the locals ahead by 5-2. Alvin Hopfe led the local force with a hot trick while Sherman Mohr and Tommy Sieben got assists. Keith Phipps picked up 5 assists on the afternoon play.

The Chapel Hour

A new year ahead! What does it hold? Certainly it holds trouble and sorrow and heart-ache. Unhappily it also holds joy and gladness and temporal blessings as well. The past year held all of these things and the coming year will hold the same for us.

What happens to us during this time will not effect us as vitally ten years from now, those of us who still live and move and have are being ten years from now, as how we meet the joys, sorrows, blessings and temptations that do come to us in 1961. Our own reactions to those things, for good or for evil, that come upon us will be of greater moment than those circumstances that will surround us in this coming year. Perhaps the following poem expresses this thought.

I stood before the New Year tears
And down that road a figure came,
A strange, composite creature,
An old man dressed in gray and
A young man, malwart, strong and
A bent old woman, blind and
A maiden, pleasing of feature,
And a maiden, bright as the sun.

I said to myself, "What can be
And the answer soon came to me.
"It is life...life...life"
Life and the New Year rolled in
Black as night, yet bright as the sun.
Filled with joy and filled with
sorrow,
Today united with Tomorrow.
Life...life...life...life.

Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?
Does it matter what life may be?

Those words had been written by a humble school teacher, Minnie Louise Haskins, of Tunbridge, Kent, England. Miss Haskins died in obscurity. Little knowing that her words would be used by a king to fortify and inspire his nation, on an occasion of desperate need.

So, no matter what the new year may bring to us, if we put our "hand" of faith and trust into the hand of God, all those things that come to us in this coming year will be for our good and God's glory.

CHURCH OF GOD NEWS

PASTOR ATTENDS NATIONAL MINISTERS' ASSEMBLY
Just recently Pastor J.C. Wulff and Mr. T.W.D. Johnson returned to Drayton Valley, after spending four days in Canmore, Alberta at the Western Canadian Church of God Assembly as representatives to this community.

In this annual regional gathering policies for the Church of God are determined and revised. This convocation is tantamount for the ordination of all its ministerial candidates and the planning of the overall activities of the church. The Assembly has charge of four functioning boards which are: 1) Alberta Bible Institute (2) Mission Board, (3) Board of Christian Education (4) and the Publication Board.

From here pastors received new ideas and new strength from the practical, challenging message of the Reverend Dale Mark, featured speaker from Portland, Oregon, U.S.A.

MISSIONARY SPEAKER
January 22, 1961.

Rev. Harvey Mohr, of Vieux Fort, St. Lucia will be speaking on his work at the Mission Station. Mr. Mohr works in cooperation with the West India Mission organization.

We invite you and your friends to come and hear an exciting part in this service. "A Mission Minded Church is a Growing Church".

Opening draws will commence at 7 P.M. Friday evening.

The ice surface is in excellent condition having been shovelled and reflooded and the rings repainted recently by the caretaker Ralph Schumann.

Coming events in the local curling rink are:

January 28 -- Pembina Pipe Line Mixed Spiel.

February 4 -- Pan Am. Spiel.

Feb. 11, 15 th -- Pembina Pipe Line Men's Spiel.

Open Spiel.

March 10, 11, 12 -- Ladies Open Spiel.

17, 18, 19 -- Mobil Oil Spiel.

23, 24 th -- Open Mixed Spiel by Hudson Bay Co.

Regular curling draws will continue again next week for men, ladies, mixed league, high school and Mobil Oil league.

"Lady," wearily replied the male who had been hit by her car, "you are out, I'll admit. But, first I was up, then down, then into circles, then straight out. That's a left turn sign!"

"Silly," she retorted, "the first two might have been wrong but didn't you see the way they gave you the correct sign?"

The local club will be host for a dinner and some meeting Saturday evening for the curlers participating in the curlfest.

The meeting will elect a new season convener for next season, Al Casey being this year's con-

P.M. until 4:30 P.M. and from 7:00 P.M. until 9:30 P.M.

Here are some of the excellent artistic works you will see in the third and final chapter of the Travelling Art Exhibition: "Figure", "Bullfight" and "Cannibal" by Professor Glynn; "Opinion", "Peace River" and "Landscape" by J.B. Taylor; "The City", "The Forest" and "Bullfight" by Norman Yates; "St. Quentin's" by "The Warrior" and "Winter Garden" by R.L. Forbes. Despite the fact that some very outstanding artistic work was displayed during the showing of the two previous art exhibitions, this particular selection seems to have the edge over any other paintings already seen in this community. So folks don't miss this final art exhibition.

PEACE WITH MOTHER IN F.V.M.L. - The Drayton Valley Peace is certainly setting the pace in the Pembina Valley Basketball League race. Last Friday evening the Peaces made their first home appearance of the season downing Wildwood by a commanding 46-21 score. The victory put the local team in a position of first place in the league standings and put them on top of the Wildwood team.

Friday's game was fast and exciting featuring some very fine basketball on the part of both teams. The Drayton team took an early lead and never looked back despite the fact that the Wildwood squad improved from time to time particularly in the second half of the game.

Miss Hopie, the fastest all-around athlete in the Valley, once again led the Blue. Gold with a total of 30 points. Ernie Bawashuk scored 9 markers. Bob Barker got 7 while Ken Mitchell came up with six points. Wally and Ricky Malm each scored two points each. Nick Maschuk was the "mehome" for the visitors playing a very fine offensive and defensive game and scoring a total of 9 points.

The "opening" of the game was over with a regular 10-10 tie. A fixture between the "Frank Malm" and "High School" Jesters and the Wildwood High. The youngsters were not quite as fortunate as their big brothers and the visitors walked off the court with a 23-20 victory. Doug Lockwood led the local forces with ten points while MacGregor was the big man for Wildwood scoring 13 points and playing a fine all-round game.

YOUR FIRE DEPARTMENT

By: Ross Quinn

We're late, but here's a few statistics about last year. It's rather doubtful that they represent any kind of record but they must come close, and it's not the kind of record we want.

During 1980 your fire department responded to 54 calls which, as you know, is better than one a week. The money that was burned up totalled \$31,200, and that is no small amount. It represents many things: like \$8.00 each for every man, woman and child living in our town; or a comfort-

table living for at least eight families, or quite a few blocks of paved streets. It would even pay my debts.

But the money isn't that important. The real tragedy is with the people who were affected; the many who lost their homes and all their belongings; the six people, including one child who were hospitalized with burns and by far the worst tragedy of all, the three children who died by fire. This is one real price of carelessness with fire, and it isn't necessary.

We've all heard enough about ways and means of preventing fire in the home that it is no longer a mystery. We know that fires do just happen, they're caused by carelessness, neglect, and an apathetic attitude; and

that if we take the time to keep our homes safe we can eliminate this ghastly waste of life and property. Let's all help make 1981 a year when no lives are lost, fewer people are burned, and your fire department gets fat and lazy due to inactivity. We're doing fine so far, no fires have occurred this year.

"After talking his wife to a maternity hospital, a young husband nervously packed the waiting room while the administration clerk filled out the necessary information. As his wife was about to be taken to her room, he grasped her arm and blurted: "Darling, are you sure you want to go through with this?"

"I'm in a rat race and the rats are winning."

DRAYTON VALLEY ATHLETIC ASSOC.

THE DRAYTON VALLEY ATHLETIC ASSOCIATION MEETING - JAN. 6, 1981.

The regular meeting of the D.V.A.A. was held Jan. 6, 1981, in the Recreation Room, Town Hall.

There were 16 members and one visitor present.

President Jack Falls opened the meeting at 8:15 P.M. with the reading of the minutes of the previous meeting held Dec. 15, 1980. Don LaBarlatier moved that the minutes be read, seconded by Clayton Rosenberger. Carried.

The Treasurer reported a General Account Bank Balance of \$185.50. Sid Mitchell moved that the treasurer's report be accepted and read the bills paid, seconded by Mike Gormley. Carried.

ART SHOW

Marilyn Palmer reported that the first group of pictures had arrived for the "Art Show". There will be three separate showings Jan. 4th, Jan. 7th and Jan. 24th. Mrs. Palmer asked for assistance in showing and packing the pictures.

FIGURE SKATING

It was reported that great interest has been shown in figure skating. The insurance came out from the city Webby advertisement for a 7th Jan. 3rd, at last, 40 children don't owe their names for this sport. Pete Nelo made the motion, seconded by D. LaBarlatier, that the skating rink be used solely for figure skating practice Friday afternoon from 4 to 6 P.M. with the stipulation that, if the figure skating attendance drops, then the rink should be marked off to allow half of it for other skating. Carried. After some discussion, it was decided to leave the marking off of the rink for safety to the discretion of the caretaker.

TORGOGANING

This sport is at a standstill until such time as we get some snow.

Gordon Cross made the motion, seconded by Pete Nelo, that the Secretary write a letter of thanks to the D.V. Club for their efforts and financial assistance in fixing up the toboggan hill. Carried.

It was decided to have some markers set up at the bottom of the hill to keep cars back from the toboggan run itself.

HOCKEY

C. Rosenberger reported that the league scheduled games had begun Jan. 2nd and everything seems to be going along smoothly. A constitution of by-laws for hockey players, etc., is

Sid Mitchell reported that Pembina Pipe Line is supplying uniforms for the juveniles, on a loan basis, plus hockey stick replacements and transportation to games.

The matter of goalie masks was dropped for the present time. Red Fair suggested that Jack Falls be left to iron out the matter of left-handed goalie gloves.

BOXING

Mike Gormley agreed to make some signs to advertise the two Sunday games with Tomhawk.

Gordon Cross reported that he will be taking 6 boys into the city Friday night to fight. They have been practicing 3 times a week.

Jack Falls reported that so far, he had not received final word as to whether the Dominion Boxing Championships would be held in Drayton Valley or not, but prospects looked very favorable, and if so they would be some time in May.

The Dominion body required a guarantee of \$250.00 which amount was paid when applications was made by the D.V. Boxing Club.

1. Satisfaction regarding the winners and officials.
2. Supplying transportation from and to Edmonton for boxers living outside Alberta. All boxers and officials supply their own board and transportation otherwise.
3. Judges, referees, time keepers, etc. will be appointed by the Boxing Commission and not by local club.
4. All medals, 20 in all, will be purchased by the D.V. Club through the Alberta Branch of the Athletic Union.
5. The D.V. Club must put out all entry forms and forward them to the B-ring Chairman of each city - whose names will be supplied to us by the Commission.
6. Dressing rooms must be supplied for the entrants.
7. The D.V. Club must do the advertising. The Town Council has agreed to help with the publicity.
8. There must be a Dr. on hand at all times.
9. Training facilities must be made available for out-of-town boxers.
10. The ring and equipment must be up to regulation requirements.

The Town Council has agreed to put bleachers in the curling rink for this event.

CRIBAGE TOURNAMENT

It was reported everything was ready for the tournament Friday Jan. 6, 1981. Pete Nelo asked for more volunteer help, cribbage boards and cards.

Chase Dine moved that the meeting be adjourned. Seconded by Marilyn Palmer. Carried.

Secretary, D.V.A.A. ...

D.V. Hospital Women's Auxiliary

The regular meeting of the D.V. Hospital Auxiliary was held Monday night, Jan. 10th with a good attendance.

Mrs. Ford of Edmonton, 2nd Vice President of the Provincial Auxiliary was present to install officers. Her address following was very interesting and had some good suggestions for our guidance and help. She also told us a little about the enormous job of the University Hospital Aux. of which she is a member.

Mrs. Ford mentioned too, that since the Government would supply all necessary articles for the hospital that the Auxiliary might be able to supply such items as pictures for the room, a small comfort for the patients.

Mrs. Opal Gano was the only winner for a perfect attendance prize - a silver coffee spoon.

An urgent appeal is once more going forth for people who have time to sew and mend. Please contact members. There seems to be a need for used clean clothes. Please leave on nurses' desk.

The opening of the new wing of the Hospital was discussed. This will be held Sat. 2:30 - 5 p.m. Jan. 24. The Auxiliary will serve coffee in the Solarium. There will be a silver collection for members of the Television set for the children's ward, toward which the W.L. have already donated \$100.00, so we hope everyone will take their coffee break here.

The meeting night was changed to the 4th Thurs. of the month at 8 P.M. the next one on Feb. 23, so please mark your calendar!

Letter To the Editor:-

Dear Sir:

Drayton Valley has had two Travelling Art Shows in the Public Library sponsored by the Athletic Association this month.

Our third and last for now is coming Jan. 24th 2:30 - 4:00 and 7:00 - 9:00 p.m. I would like to urge everyone to take advantage of the opportunity as see it. Some have been good

and some not so good. They are done by Alberta painters. If purchase is wished, just take down the names of picture artist and the Art Club which sends them out and correspond directly.

Ask Dorothy Draper

Buy Painting By Unknown Artist

Quite a while ago we had something about "If you can't own an original, isn't it better to have a reproduction of a good painting?" Remember? Well, one of our readers has written such an intelligent and spirited letter I wish I had room to publish all of it. Here it is in part:

"An original Cézanne, Klimt, Monet, etc. may not be something very many can afford to buy, but that does not mean one must settle for a reproduction or no art at all. The name of the artist may not be well known to the general public, or even to the art-conscious public beyond his own immediate area - but neither, at one time were the names you mentioned and many others."

"I am not an expert but I do

enjoy good art work. My advice would be - buy a painting, a drawing, a print, a piece of sculpture, a mobile, a mosaic, etc. that appeals to you deeply. Everyone surely knows what he likes. Then plan your decoration as a setting for it. It will be happy room. If the artist becomes known, you have an enjoyable possession that is not a reproduction."

reproduction can, possibly you will have laid up a financial treasure for your children. Some of the paintings selling now for less than thousands of dollars were sold originally by the artist for a square meal or two of bread and butter.

"Even in the hinterland, there are several exhibits a year without any driving distance. There the work of professionals, students, and gifted amateurs may be seen and bought at reasonable prices. Anyone who can afford a really good reproduction can afford a good original."

I think the lady makes sense, don't you? Let's all go to the next art show."

Mr. Miller is a member of the Anglican Church in Drayton Valley. He has been on the church vestry for many years. He has been the founder of the building of the church in 1837, and has worked untiringly for it every since. He is a member of the Royal Canadian Legion in Drayton Valley and a member of the B.P.O. Elks Lodge in Drayton Valley.

With untold numbers of others, Mr. Miller has contributed to the building up of this country. He has lived a life of which he need have no regrets and has contributed to society and civilization as he has found it.

POLICE REPORTS. (Cont. from page 1, col. 5)

In addition, about 300 trailers were checked and licensed. A large number of investigations were conducted by the police over the twelve month period which were settled out of court and never came up in court. These included cases involving juveniles and others.

A number of persons wanted since for crimes and misdemeanors were apprehended by the Drayton Valley Police and were held pending arrival of an escort from the place to which they were wanted to take them back to stand trial.

BREAK-IN AT BOWLING ALLEY.

Early in the morning, January 12, thieves broke into the Bowling Alley, using a crowbar to gain entrance to the building and to pry the money boxes off the pin-ball machines, which they emptied. Cigarettes and other items were taken at the same time.

Three juveniles were arrested by Drayton Valley police and were brought up to Magistrate Isaac rocks court, where, when confronted with evidence of their guilt, all three pleaded guilty to the charges.

They were remanded in custody

MacKenzie-Vowk Wedding

On a beautiful January afternoon Miss Mary Barbara Vowk and Mr. Kenneth Bernard MacKenzie repeated their wedding vows before an altar made beautiful with white gladiolus and green natural decorations.

Miss Vowk and Mr. MacKenzie were united in a double ring ceremony by the Reverend Russell Brown, in All Saints Anglican Church, at 4:00 o'clock, on the afternoon of January 7th. Miss Vowk is the daughter of Mr. and Mrs. Mike Vowk of Eynford district and Mr. MacKenzie is the son of Mr. and Mrs. MacKenzie of Drayton Valley.

As the bride walked down the church aisle on the arm of her father, Mrs. D. Edmunds, at the organ, played the inspiring strains of the "Wedding March". The bride looked lovely in her full-length satin wedding gown, embellished with sequins. On her head she wore a double crown headpiece, from which fell a veil of illusion lace. She carried a bouquet of red roses, with red roses falling on white streamers. The bride was wearing a drop pearl necklace and earrings, the gift of the groom. During the signing of the register, Miss Vowk sang "A Wedding Prayer" and the congregation joined in singing "Oh Perfect Love".

Two bridesmaids accompanied the bride to the altar. Miss Sandra Pratt was dressed in yellow satin with organza overlay and Miss Isabel MacKenzie was dressed in blue satin and organza gown. Both bridesmaids wore white accessories and carried bouquets in shades matching their gown. They each wore a set of single strand pearls and earrings, the gift of the bride.

Miss Rita Wolters, former principal of Drayton Valley School, who had taught both the bride and the groom, now teaching in Edmonton, was present, and Sammie Simpson, formerly employed by the Government of Alberta in Drayton Valley, Bonnie Barwick, and others were present for the happy event.

National Amateur Boxing Here

Another first for Drayton Valley, and one that will bring much publicity to the town is the National Amateur Boxing Championships which will be held here for two days, in the middle of May, May 12 and 13, Friday and Saturday.

The National Boxing Committee decided to hold the bouts in Drayton Valley, although other provinces were bidding quite strongly for them. The committee first started on two provinces, Ontario and Alberta, for the spot in which to hold the national amateur boxing events. Alberta was decided upon, and the committee then went to work deciding which place in Alberta, out of the many which were bidding for the match matches, should be given the honor, and Drayton Valley was decided upon. Last year they were held in Montreal, in connection with the Olympic Games.

The amateur championship bouts will be held in the Curling Rink, which will seat approximately 1400 spectators, when bleachers are put in. Publicity-wise, the holding of the national championship here will do this town and rink a lot of good. About 50 teams will be here, with the 12 trainers and all the other officials who will be present will add up to about two hundred who are directly connected with the boxing events. Sports reporters, from the daily newspapers, T.V. and radio stations will be present to cover the events.

In 1959 the championships were held in Camrose, and in 1960 they were held in Lethbridge. Both of which are classed as cities. Perhaps the holding of national events in here presages the day when Drayton Valley will reach city status also.

Almost everyone has heard of the famous Carnegie courses in leadership training, which have been operating continuously since 1915. Mr. Carnegie devoted his entire life to helping adults to develop leadership abilities.

This is the winning Hinton rink in the Zone 16 playoffs. Left to right they are: A. Smith, Head, R. Norbas, Third, B. Hansen, Skip and J. Wood, Second.

To two men, at least in Drayton Valley that we can praise for the selection of this town for the 1961 Amateur Boxing Championships; they are boxing director and trainer, Gordon Cross, and Drayton Valley Athletic Association president Jack Falls, and undoubtedly our very fine recreational director, Mike Gomeley has worked hard towards that end also.

To these men and to many other who have assisted in the program in many ways should go the thanks of this community for their unflinching efforts in behalf of amateur boxing and in working hard and successfully to get the National Amateur bouts staged in Drayton Valley.

We have some fine young boxers here, too. Perhaps one, or even more than one will stand out in his class and bring us added fame.

HARRY Y. A. KNIGHT

Harry Knight was born in Halifax Nova Scotia, where his father was a stonemason. His father was killed in World War I. Harry came west in 1928 to become, eventually, an old hand in the oil business; he has probably more years of experience in the oilfields than any other man in this area, with some 33 years in the oilfield behind him.

He came first to Regina, where he worked for a year, and then to Calgary for another year. Then, with the oil strike underway in Turner Valley in 1928 he went there and worked as a roughneck on one of the old wooden rigs of that day. He has been in oil business ever since.

In 1932-33 he ran an 8" gather-

ing line crew for British American Oil Company in Turner Valley. In those days they still used horses in construction work and pipelaying. In 1934-35 he ran a ditching machine from Turner Valley to Calgary for Royalite Oil Company. In 1938 Mr. Knight went to work for Anglo-Canadian Oil Company, as a roughneck and started drilling for them in 1941 in Turner Valley. In 1940 he had joined the 13th Field Corp of the Royal Canadian Engineers and the Army returned him, along with others, to the oilfield, where they were frozen on their jobs for the duration of the war.

He stayed in Turner Valley until the big oil strike in Leduc in 1947 where he went to work for General Petroleum on Atlantic Well No. 3, the well that made history by running wild for a period of six months. Knight worked with the famous wild well tamer, Myron McKinley and Red Adams for six weeks, 12 hours a day, trying to kill the well. Then he was put on a rig drilling a directional hole into the wild well, which was finally brought under control by water-flooding from the West Half Directional hole which Harry had helped to drill. The General Petroleum rig that drilled the directional hole was a steam rig, one of the last to be used in this country.

Mr. Knight went into business for himself, with a partner, and over the period of three years they acquired four rigs, known as Newport Drilling Company, but economic conditions, caused by the steel strike in the U.S., forced them out of business. In 1954 Harry came to Drayton Valley.
